UNSTARRED QUESTION NO:4192
ANSWERED ON:04.05.2007
POWER GENERATION BY NTPC
Jindal Shri Naveen

**Will the Minister of POWER be pleased to state:**

(a) whether the National Thermal Power Corporation (NTPC) has been entrusted to improve the performance of power stations under `Partnership in Excellence` Programme of the Ministry;

(b) if so, the details thereof; and

(c) the additional power likely to be generated by the NTPC as a result thereof?

## Answer

THE MINISTER OF POWER ( SHRI SUSHILKUMAR SHINDE )

(a) to (c) : Yes, Sir. To improve the performance of thermal plants operating at Plant Load Factor (PLF) below 60%, Ministry of Power, Government of India, initiated `Partnership in Excellence` (PIE) programme in August, 2005 at 22 thermal stations. Under this programme, Engineers from better performing stations like NTPC/TATA power were deputed at power stations having low PLF to share their expertise so as to improve the PLF of these stations. The details such as name of the station, units covered under PIE, capacity, yearly generation of 13 stations presently under PIE programme with NTPC as partner is enclosed as Annexure. An additional generation of 3283 MU was achieved during the year 2006-07 as compared to the previous year i.e. 2005-06.
